**SUBMISSION OF REPLACEMENT DRAWING**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicants respectfully submit herewith a replacement drawing for Figure 8.

Specifically, reference element 233 of figure 8 has been relabeled as "Modulation Unit," rather than "Demodulation Unit," in order for figure 8 to remain consistent with the specification. This drawing amendment is editorial in nature and does not add new matter to the application.

Respectfully submitted,

Hidetoshi YAMASAKI et al.
